

WALKING IN THE SPIRIT

Time, as we know it, has sped up, and the Lord Jesus Christ, King of Glory, is getting ready to return for us. I can see Jesus---He may not have stood up yet, but He is on the edge of His seat waiting for His Father to say, "Son, it's time – go get my children."

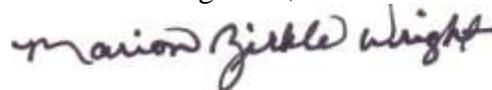

Until this happens, until the rapture of the church, we must learn how to walk in the Spirit and know how to hear the voice of God and know how to be led by the Spirit. In these last days, the Lord wants to do some things, and He wants to use us, but we must be spiritually alert and hooked up to the power. The devil is in a panic because he knows his time is short.

All over this world there is revival, there is more outpouring of the Spirit, more preaching, more Word, more believers, but also there is more violence, more problems, more corruption, and more hate. It's nothing like mankind has seen before. Prophecy is being fulfilled. Time is about to run out. We have a warning in 1 Timothy 4:1-2: "Now the Spirit expressly says that in the latter times, some will depart from the faith, giving heed to deceiving spirits and doctrines of demons. V.2 Speaking lies in hypocrisy, having their own conscience seared with a hot iron."

These seducing spirits and doctrine of devils are already operating in the world. They are sent to deceive, to urge you to depart from the faith, from holy living and to accept things contrary to the Word of God. But we'll not be deceived or led astray if we stay in the Word, give more time to prayer, stay in a church that preaches the truth, and learn how to walk in the Spirit.

The supernatural is a realm that captivates us all. People are hungering for the things of God NOW like never before. People are looking for the genuine moving and demonstration of the power of the Holy Ghost. Church, it's time!

In His Amazing Love,
