Greetings Dear Covenant Partner,

I pray this letter finds you living in God's richest blessings!

I'm sure if I were to sit down right there in your house and we just fellowshiped together about your life, we would find a common denominator shared among many Kingdom Kids..... Somewhere inside dwells a dream or calling that we are not sure what it is! You see, God never called you to do anything in life that you could do on your own. I look back at the ministry of Living Water Teaching and see a vision that was bigger than one man and even one lifetime.

I love the story of Gideon in Judges 6. We see a man called out by God named Gideon who had a hard time seeing beyond himself and his own abilities. In fact, the angel went to Gideon WHO WAS HIDING and called him out. I can picture this mountain of an angel appearing before him in verse 12 and with a booming voice saying, "The Lord is with you, you mighty man of valor". I can just see Gideon doing a full 360 degree dance, looking for who else was there with him, but finding no one but himself and the angel. Gideon was called out and God's plan was revealed and even confirmed by the Lord, which we can read about towards the end of chapter 6. What Gideon discovers is that God's plan for his life came complete, fully organized, equipped and ready for him to step into and walk it out in obedience to how God said. In the end, he discovers that God's way was not his way and made no sense; BUT, when followed, total and complete victory was his and all the glory went to God!

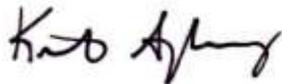

Like Gideon, God has a plan for all of us and only we can walk that plan out. But for this to happen, we must enter into His presence and let Him reveal to us how we are to do it. Gideon did not need the thousands of soldiers to complete the task God gave him, but instead, he needed just a faithful 300. Which that made no sense in the natural, but God works far above and beyond the natural.

Some may know what it is that God has called them to do, and others might not have discovered it yet. But whichever category you are in, God has a plan for you. Matt 6:33 tells us to, "Seek first the Kingdom of God and then all things will be added to you". I would encourage you to just get alone with God and find out what it is that brings you joy, peace, and what ignites your spirit man. Bring that before the Lord and let Him show you how you are to walk it out.

I believe there are world changers holding this letter and reading it right now. I want to encourage you to plug into the Word like never before. I have always believed our calling on this earth is to help usher in the Kingdom of God and that's what we will be doing through our God given dreams and callings.

I pray this letter in some way has sparked a fire inside you. Debbie and I are always praying for you and we ask the same from you for us, and all of the LWT family globally.

Sincerely,

Dr. Keith and Debbie (Zirkle) Spanberger
